

Welcome to the Sixth Annual Summer Auction for Saint Christopher's Church!

With the continued enthusiasm of our parishioners and local community for this auction, we are able to help support the many missions and ministries of this parish. Many generous local people and businesses have donated goods and services or monetary contributions to package with them to be auctioned tonight. To them, we offer our grateful thanks.

We have also been blessed with a corps of hard working volunteers, without whom this event would not be possible. In addition to our auction committee members, many other parishioners contributed to this evening, including our kitchen crew, financial team and the many hands that have made light work of this event.

Our special thanks go to Marie Williams of Watermark for our program design and to Sir Speedy Printing in Orleans for our printing needs, and we always appreciate the ongoing administrative support from Jamie Chalker and Patty McGurk. A special note of thanks to The Rev. Brian McGurk and the Rev. Gail Smith for their inspiration and belief in the future of our parish.

Thank you for your support and for attending this evening's auction.
