

ST. CHRISTOPHER'S EPISCOPAL CHURCH

625 Main Street
Chatham, MA 02633

The Rev. Brian W. McGurk, Rector

December 17, 2007

Dear St. Christopher's parishioner,

I pray you are enjoying a peaceful, healthy winter season.

If you have been reading *Soundings* or have reviewed the Nov. 23 letter from the Vestry, you know that our building and expansion program has entered an important final phase.

After services on Dec. 2, we held a Forum where our architect, Dan Barton, and Building Committee Chairman Bruce Wood presented the latest design and landscape plans for our building and renovation project. They showed the key elements of the revised plan and answered questions. Tim Weller, a communications staff member, videotaped the presentation.

I want to make sure everyone in the parish can see that session and review the plans.

To that end, we put the video, unedited and in its entirety, on the church website at www.stchristopherschatham.org. In addition, you'll find copies of the latest design plans, along with a new brochure and pledge card. This is an opportunity for those who would like to contribute to our Forward in Faith Capital Campaign for the first time, or those who would welcome the opportunity to add to their initial giving. For those who have already given, we deeply appreciate your wonderful contributions.

What this letter is really about, though, is that I want you to be informed. Each of you is such an important part of our ministry.

Don't have a computer? No problem! We've made DVD copies of the video and copies of the plans. Just contact the church office at (508) 945-2832, tell us what you'd like, and we will drop them in the mail to you.

I value your comments and suggestions. Feel free to drop me a note or give me a call with your thoughts.

Yours In Christ,
