

St. Christopher's has been an integral part of the Chatham community for the past 50 years. Our many outreach programs benefit those in our local communities as well as around the world. Proceeds from our fundraising events help support the mission and ministries of St. Christopher's. The non-profit organizations we support are grateful to the individuals and businesses generously backing the outreach efforts of St. Christopher's Church.

We thank our participants and sponsors for their friendship, participation, and support in this Robert M. Lynyak Charity Golf Event.

We expect a memorable day for all involved!
